

### ***Meet Michelle***

Michelle Bowers earned her undergraduate degree from Ithaca College and completed her master's at The College of Saint Rose in Albany, New York. She began her career at a special needs preschool in upstate New York, where she developed a strong foundation and deep passion for helping young learners communicate and thrive.

Eighteen years ago, Michelle and her family relocated to Georgia, where she had the joy of raising two wonderful boys. Now that they're grown, she and her husband are embracing the empty nest life alongside their lovable 85-pound golden retriever, Sammy.

Outside of work, Michelle enjoys gardening, exploring new places through travel, and spending time outdoors. She is passionate about creating meaningful connections with the children and families she serves and is dedicated to helping each child reach their full potential.
