

Nicole Eddings is a bilingual operations and administrative professional with over three decades of experience in public and private education. She is known for her strong communication skills, attention to detail, and ability to create organized systems that support students, families, and educators.

***Meet Nicole***

Nicole brings a dependable, people-centered approach to her work, helping teams operate smoothly while fostering positive, supportive environments.

Outside of her career, she is faith-focused and family-oriented. She loves spending time with her family and dogs, traveling, and investing in meaningful connections and community.
